

Frassati Family Association's Year in Review 2020-2021

Frassati Families,

With your dues and support, here is the difference FFA made this year--during the Pandemic! There are fundraisers included, charity events and donations and funds spent on events for our staff and school. Typically, we only do one big fundraiser (Fund Run), but this year was unique, as we all know!

Many thanks and blessings!

--Your FFA Board
