

FRASSATI FLAG- POLE REMODEL EAGLE PROJECT

Ryan Bobber, Frassati Alum from Boy Scout Troop 195

For my Eagle Project, I will be leading the renovation of the flagpole outside Frassati Catholic Academy, Mundelein Campus. I wish to make this an inviting and well landscaped area to show patriotism at our school. Currently, students must traverse puddles or forgo raising the flag due to uneven ground. I will regrade the ground, put down gravel, lay brick pavers, and install landscaping.
