

Frassati Junior High Math Club - Letter of Interest

We will be offering a Junior High Math Club for the 2019-2020 school year. We will be following the MathCounts program in our club. Below are some of the key details about the club.

Q - Who is eligible to join?

A - Any student in grades 6, 7, or 8 are welcome to come and join. The teacher moderator will be Mr. Reisenbuechler.

Q - When and where will it meet?

A - Every Wednesday morning from 7:30 am - 8:15 am.

Q - When does it start?

A - We are looking to start Wednesday, October 23.

Q - What are we going to be working on?

A - We will be working in groups to work on challenging and fun math problems. Follow this link to check out some examples: <https://www.mathcounts.org/resources/problem-archive>

Q - Why are we starting a Math Club?

A - We believe in the MathCounts philosophy which states: ~~W~~We believe middle school is a critical juncture when a love of math must be encouraged, and a fear of math must be overcome. Our programs build problem solving skills and positive attitudes about math, so students embrace challenges and expand their academic and career opportunities in the future. ~~q~~And besides...Math is awesome!!!

If you are interested in joining the program, please fill out and return this form to the school office or directly to Mr. Reisenbuechler.
