How Important is Player Development to You?

Everyone claims they believe in player development but how many are really doing anything more than the traditional "field practice"?

What are they really doing to give your favorite player the edge in this competitive landscape if everyone is doing the exact same thing?

Socrs FC is the only club to really demonstrate a commitment to hard core player development using a state of the art technical training center, specialized speed and skills equipment plus advanced technology that brings a professional level of development to youth soccer.
