

2nd Annual

Frassati Catholic Academy FunD Run 2018

Hello Families and Community Members!

The Frassati FunD Run is our annual event (formerly known as the Track a Thon) where students of our school, now known as Frassati Catholic Academy on two campuses, will ask friends and family to pledge a dollar amount per lap or flat donation.

On Friday, September 28th on the Wauconda campus, all 300 + students will run 1/8th mile laps for one hour in the Transfiguration Church parking lot. There will be different times of running for different grade levels. The student will collect the pledged donations and the donations will go to benefit our school, grades preschool through 8th for field trips, assemblies, enrichment activities, and other spiritually and educationally pertinent activities.

Attached to this letter, are dates to remember, as well and more specific information for the Day of the FunD Run. Please email the Frassati Family Association (FFA, also known as the school's PTO) at Frassati.family@gmail.com with any questions. If you are a business or would like to make a donation, also please email the FFA fundraising committee at the abovementioned email.

We are looking forward to a great event!

Many Blessings,

The Frassati Family Association
