

## What would you do if you weren't afraid to fail?

Join us for a special screening of the film "The Empowerment Project: Ordinary Women Doing Extraordinary Things" and we'll explore this question together. This film is not about encouraging girls and young women to try to 'have it all' but to be leaders of their lives and go after their dreams without fear, and in a realistic way. It's also a story of friendship and transformation, as the filmmakers turned the cameras on themselves capturing their journey to redefine empowerment.

Help us honor the women in our lives,  
cultivate a generation of strong & compassionate young women,  
and inspire future leaders.

“The Empowerment Project: Ordinary Women Doing Extraordinary Things” is the incredible journey of 5 female filmmakers driving across America to encourage, empower, and inspire the next generation of strong women to go after their career ambitions. Driving over 7,000 miles from Los Angeles to New York over the course of 30 days, the documentary spotlights 17 positive and powerful women leaders across a variety of lifestyles and industries. Along the way, these filmmakers relay the candid insight on how these women define their success, what it takes to be a woman in their position, and valuable advice on how to improve the female role in the workplace. In celebration of the all-female focus in front of and behind the camera, the filmmakers turned the cameras on themselves, capturing their transformational journey. Created for women by women, they challenge the audience to ask themselves, "What would you do if you weren't afraid to fail?"

This screening is offered by the St. Mary Domestic Violence Ministry in an effort to empower our girls and young women to be all that God intends them to be and to fully use the gifts entrusted to them. Women who are empowered are less likely to become victims of unhealthy relationships.

Bring your friends and neighbors as this event is not just for St. Mary parishioners. While watching the film, we will enjoy a light lunch, movie snacks, door prizes, and more! It will be good to be together!
