Love those chicken steaks!!!

Chicken steaks are awesome!! They are so tender and easy to prepare. I was so excited to learn I could still buy them after the school I worked for stopped getting Market Day in. These chicken steaks are so much better than any chicken in the store. Well worth the price!!

Nostalgic Goodness!

These were excellent! Just like how I remembered them from my childhood. Heated up perfectly. They are certain to become a family favorite. Way better than anything I have found at the grocery store

Best Chicken EVER!!!

I have already used half of them and will have to order more! This chicken is so easy to use on the grill or in a crockpot or instapot recipes Frozen and it thaws in a short amount of time. Tates so tender and delicious that I will probably never buy chicken from the store again!

As good as the kids remembered!

My kids remember Market Day French Toast Sticks from their elementary school days. They are high schoolers now, and they report the product measures up to their memories.
