

Frassati Family Association

The Frassati Family Association (FFA) wants to share our gratitude to all of our families for all the support each of you have shown throughout the year! We understand choosing Catholic education for our children is a financial commitment and also recognize the many times our families' are asked to get involved in other ways to continue to support the vitality of our school. We are so very honored and excited to share with you the many ways the FFA has worked hard to use the dollars that you have helped us raise to improve the Frassati Experience for you and your children! Below you will find a list of some of the FFA sponsored events, activities and support we have provided from December 2017 – February 2018.
