

Reminders for Friday, April 5, 2019

As we prepare to celebrate our school namesake, Bl. Pier Giorgio Frassati, we wanted to share a few reminders.

- Students will be wearing their Frassati Spiritwear shirts. If they do not have a spiritwear item they can wear their uniform shirt. They can wear casual bottoms as we will be doing active activities throughout the day. (gym shoes are best)
- Students in K-8th grade will visit the service fair. This is an opportunity for our 8th graders to research a service organization and create a game around the theme and teach their peers about the organization. Students will need **a quarter, a dime and a nickel**. They will use their coins to vote for their favorite game/organization. All funds will be donated at the end of the day.
- Lunch: since our event is during Lent, we want to be sure we are respectful of each student's wishes, so we sent home an order form regarding pizza for lunch. If we didn't receive confirmation that your child would be having pizza, we anticipate they are bringing a cold lunch as their no hot lunch service on Friday.

We are looking forward to a truly amazing day celebrating our history and learning more about our faith. Thank you to parent volunteers and staff, and all those who made this event possible.
