

# Catholic Education Made Affordable

The Illinois **INVEST IN KIDS ACT** is designed to help make Catholic education **AFFORDABLE** and offer all families a choice in their child's education.

Use your 2016 Internal Revenue Service (IRS) Tax Return to qualify for up to **50%, 75% or 100%** of **necessary tuition and fees** to send your child to the private school of your choice, making Catholic education **AFFORDABLE**.

## How much money will be available?

The Invest in Kids Act provides \$100 million in scholarship dollars across the state if the program is fully funded. All scholarship dollars are being donated by private citizens and corporations that believe all families, regardless of income, should have access to an **AFFORDABLE** education.
