Dinner with Father Jerry

Relax and enjoy dinner for 8 at St. Mary of the Annunciation Rectory hosted by Father Jerry.

Our Blessed Mother responded to God's call with a clear and unhesitating yes. Let it be done to me according to Your will (Luke 1:38). We, the people of St. Mary of the Annunciation, are called by God, as His humble servants, to respond with our own yes. Like Mary, we do not fully understand what God's call means, but we know that through our yes, we give witness to the joy of the Gospel, as with complete trust, we follow wherever God may lead us.

- A dinner for your family and friends at the Rectory – 8 Total
- Grilled and served by Father Jerry including wine and wonderful hospitality

Please Note: Please contact Father Jerry to coordinate date of dinner. Friends are limited and will be clearly noted in winning documents available at checkout after purchase.

Donate to our Scholarship Program

As our final LIVE AUCTION item we would like you to consider donating to our school's Scholarship Program.

The cost to educate a student at Frassati Catholic Academy exceeds \$7000. With that in mind, we understand the sacrifice that parents make to invest in a Catholic education for their child. To help lessen the burden on our school families, our partnering parishes provide a subsidy to the school to help cover the difference between the actual cost to educate each child and tuition. We also work closely with the Archdiocese of Chicago to provide financial assistance for those in need. In an effort to ensure all families receive the appropriate assistance to continue to choose Catholic education for their child, we ask annually for those able to contribute to do so by donating to our Scholarship Program. We absolutely do not want financial circumstances to be the reason why our families look elsewhere. We are blessed to have you and want you to know we do everything we can to support you, as you do to support us!

Be prepared to raise your bid number for the scholarship giving level you feel most comfortable.
