

# Scrip is fundraising while you shop!

## What is Scrip?

Scrip is a school fundraiser that offers big earnings with no selling— it's fundraising while you shop®! Instead of relying on families to become salespeople like other fundraising ideas do, families fundraising with scrip are raising money simply by changing their method of payment.

This program allows you to purchase gift cards at your campus office from over 700 brands at face value. Our school will earn a percentage of all gift cards purchased as a bounce back! Just like that, no selling, heckling or going door to door.

## Purchase Scrip gift cards for:
